

1	Replace the project title
	<title>Set MapView Extent</title>
2	In the script tag, remove the scale property and insert an extent property with xmax, xmin, ymax, ymin, and spatialReference..
	<pre>myMapView = new MapView({ container: "map1", map: myMap, center: [-122.4479, 37.7531], extent: { xmax: -13619894, xmin: -13624389, ymax: 4556105, ymin: 4553024, spatialReference: 102100 } });</pre>
